Course Description:

Economics is a social science studying society’s choice of how to use scarce resources to produce goods and services in order to maximize the attainment of economic wants. Macroeconomics is the branch of economics that focuses on the performance of the aggregate economy, specifically the economy’s total output of goods and services, the growth rate of that output, and the rates of inflation and unemployment. Among the topics we explore are the definition and measurement of aggregate economic variables such as gross domestic product (GDP), the consumer price index (CPI) and the unemployment rate.

Course Learning Outcomes:

Students will know more about economics and the economic way of thinking than when we started. Critical thinking is key in understanding economic concepts, I would like you to be able to interpret the cause and effect of policies when watching the news and reading about international events. Specifically:

1. Develop understanding of the functioning of the market economy and the role of government
2. Understand the U.S. economy as part of the world
3. Develop the skill for ordering and interpreting economic news in the media
4. Understand economic, business, and finance vocabularies
5. Understand the economic way of thinking (AKA, it’s all economics!)

Assessment Measures:

Exams 1/2/3 20% each
 Final Exam 25%
 Homework 15%

<u>Requirement</u>	<u>Weight</u>	<u>Course</u>	<u>CBA</u>	<u>Econ/Fin</u>
Exams	85%	1,2,3,4,5	2,3	1,3,4,6
Homework	15%	1,2,3,4,5	2,3	1,2,3,4,5,6

Extra credit: The only way you can gain credit other than the items specifically listed in the syllabus is by signing up for a Duolingo account and working on learning a language. Share your progress with me via this link: <https://www.duolingo.com/o/zmdwcy>. Alternatively, the classroom code is ZMDWCY which you can enter when you join. You must use this link to sign

up for the classroom and it is your responsibility to sign up correctly. I will give extra points (up to 2.5 percentage points to your final percentage score) for those of you who participate daily (10 XP or more) throughout the semester. You can follow me with my user name *jaykody* if you like, I am currently working on Spanish and German.

Make-up Exams: Make-up exams will be given only at my discretion. Examples of situations warranting a make-up exam are a serious illness or a death in the family. You should be in contact with the Dean’s office in the event of these occurrences and a makeup exam will only be administered after I obtain notification of an officially excused absence from the Dean’s office. Make up exams are only offered during my officially scheduled office hours.

Attendance Policy: There is no attendance policy in this course. I will take roll to begin class. I encourage you to come, you’re paying for it but I am realistic in my ability to “force” you to learn. You’ll have to find intrinsic motivation for this course just like in life in terms of getting things done.

Grading Policies and Procedures:

A+: 97 and above	C+: 77-79
A: 93-96	C: 74-76
A-: 90-92	C-: 70-73
B+: 87-89	D: 60-69
B:84-86	F: 60 and below
B-: 80-83	

No late work is accepted. Homework assignments must be completed by due dates, Sapling allows for partial credit so do what you can even if you can’t finish. I drop the lowest homework score, so any individual assignment won’t make or break you.

College of Business Citation Guidelines and Plagiarism Reminder

For papers, Niagara University business students are asked to use the APA citation style. We recommend this guide: <https://owl.english.purdue.edu/owl/resource/560/01/> for citations.

On the Purdue APA page there are many drop down resources on the left side, including:

In-text citations as required in APA: <https://owl.english.purdue.edu/owl/resource/560/02/>

Reference list formatting which is required in APA: <https://owl.english.purdue.edu/owl/resource/560/05/>

How to cite electronic resources: <https://owl.english.purdue.edu/owl/resource/560/10/>

Academic Integrity Reminder: These are the most common plagiarism problems seen at Niagara University among students referred to the Academic Integrity Board. *Please strive to maintain the highest academic standards.*

- Submitting a paper or portion of a paper written by another student—in your own class, another class, or another school.

- Submitting a paper which has large blocks of non-cited text copied directly from written or on-line sources.
- Cheating is wrong. Please don't do it. I dislike having to fail people, but I have and will.

University Statement on Academic Integrity:

Academic honesty – being honest and truthful in academic settings, especially in the communication and presentation of ideas – is required to experience and fulfill the mission of Niagara University. Academic dishonesty – being untruthful, deceptive, or dishonest in academic settings in any way – subverts the university mission, harms faculty and students, damages the reputation of the university, and diminishes public confidence in higher education.

All members of the university community share the responsibility for creating conditions that support academic integrity. Students must abstain from any violations of academic integrity and set examples for each other by assuming full responsibility for their academic and personal development, including informing themselves about and following the university's academic integrity policy.

Violations of academic integrity include but are not limited to the following categories: cheating; plagiarism; fabrication; falsification or sabotage of research data; destruction or misuse of the university's academic resources, alteration or falsification of academic records; academic misconduct; complicity; and copyright violation. This policy applies to all courses, program requirements, and learning contexts in which academic credit is offered, including experiential and service-learning courses, study abroad programs, internships, student teaching and the like. Please refer to the undergraduate catalogue for Niagara University's policy on academic integrity or access the policy online, www.niagara.edu/academicintegrity.

Inclusivity, Diversity & Support for Students at Niagara University

Niagara University supports a learning environment that fosters inclusiveness where diversity is respected and valued. It is expected that students in this class will respect differences and develop an understanding of how other people's perspectives, behaviors, and worldviews may be different from their own.

Students are always encouraged to meet with faculty as early as possible in the semester to discuss their needs or concerns. Students may also seek additional assistance from a variety of resources available on campus such as academic support, counseling services, disability services, etc. For more information on these resources, please visit <http://mynu.niagara.edu/services>
